

Established in 1982, Mason Electrical Engineering Contractors services the electrical contracting industry throughout all areas of Western Australia. We are able to mobilise and adapt our workforce to any location in WA, servicing industrial, heavy commercial, commercial and process sectors.

Mason Electrical Engineering Contractors recognises the importance of protecting the environment for the benefit of our customers, employees, shareholders and the community. Our commitment is to deliver our projects in an environmentally responsible manner.

Specifically, **Mason Electrical Engineering Contractors** is committed to:

- complying with all relevant environmental legislation, regulations, codes of practice and contractual conditions
- preventing the pollution of the environment by activities under our control
- conducting business with suppliers and sub-contractors who also have a commitment to responsible environmental management
- continually improving our environmental management performance by regular reviews and setting realistic environmental objectives and targets.

To achieve our Environmental Policy, we will plan and manage our activities in accordance with best practice principals.

Compliance with this Environmental Policy is mandatory for all employees and sub-contractors, and is a condition of employment and contract. Through training and education, all employees and sub-contractors will be capable of meeting the objectives of this Policy.

Mason Electrical Engineering Contractors is committed to:

- conducting regular environmental audits of our operations to ensure waste and pollution are prevented or minimised
- maintaining a commitment to continually improve environmental management
- maintaining a framework for reviewing environmental objectives and targets through analysing the environmental risks at each new site
- cooperating with appropriate authorities and ensuring all licences, approvals and permits are current
- developing and implementing emergency plans in order to minimise any adverse environmental impact.

Management fully endorses this Environmental Policy and the HSEQ Management Manual that has been implemented.
